Allowable Subject Matter

1. Claims 1-20 are allowable over prior art of record and in light of arguments presented in Appeal Brief filed October 17, 2005.
2. The following is an examiner's statement of reasons for allowance: Prior art of record does not disclose, teach, or suggest "physically open the communication link when the comparison determines the data protocol fails to conform with the standardized communication protocol" as recited in claims 1, 4, and 11 and "not forwarding data of which the data protocol does not comply with the standardized communication protocol from the data communication protection device to the first communication station by physically opening the communication link within the protection device to prevent communications between the first communication station (11) and the second communication station (12)" as recited in claim 1.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2155
